ELITE CLAMPING PLATFORM

Nr 33467

elite clamping platform

SJÖBERGS ELITE CLAMPING PLATFORM – THE PROFESSIONAL’S CHOICE!

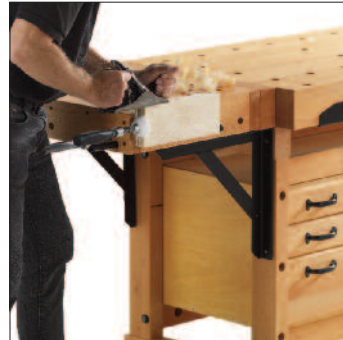

With our new Elite Clamping Platform, the Elite workbenches will be more flexible and will create a bigger working surface. The Elite Clamping Platform extends the bench by 510 mm. All the 19 mm diameter dog holes make the bench more flexible and suitable for most existing clamping systems on the market. It also handles our Holdfast ST11. You can fasten on both the top and the skirts around the Platform.

It can also be used as a separate work surface by attaching it to a wall.

The Platform is made of solid European beech and treated with a first class natural oil. Supplied with 4x19 mm bench dogs.

SPECIFICATIONS	inches	mm
